Services We Provide

Attorney David Pedrazas handles all issues related to divorce, including:

Division of Assets & Debts

If you and your spouse have accumulated joint assets during your time together, our team will work hard to make sure you receive your fair share. Likewise, if you have joint debts, we will help you reach a resolution that is equitable and affordable.

Child Custody and Visitation

If you and your spouse share children, the issues of child custody and visitation schedules must be settled during the divorce process. The Law Office of David Pedrazas has extensive experience with these issues. We will do everything in our power to protect your relationship with your children and ensure their wellbeing.

Child Support

Utah state law requires the payment of child support in most divorce cases. Whether you are paying or receiving child support, we will help you make sure the agreement is fair and adequate.

Paternity

Paternity issues sometimes arise in divorce cases when there is a question about the identity of a child's biological father. We have represented both mothers and prospective fathers in paternity matters.

Alimony

Utah allows for the payment of alimony in some cases. Our team will work to protect your interests whenever alimony is involved.
